I remember most when I was driving to work & a car next to me ran through a mud puddle where it all landed on my car. All I saw was brown water on my windshield. Called Cherylene if Gary could shoot my car down. I drove my car to the house & I thought I was at Hashi Car Wash. Thats the kind of person he is. Kind , keep to himself & caring. We'll meet again & I'll bring a six pack.
