Robert Pitagno posted:

Tim was one of my best friends in High School. He would often crash in my bedroom, because I lived near Montauk Hwy, and it was easier to hitch to the beach. We had way far to many adventures to even begin to list, many of them fueled by Boone's Farm. One stormy dusk we had a shark bothering us in the water. We made it to the beach only to find someone had taken our backpacks, and we had to hitch home in our wetsuits while it was getting dark and raining. I made it to Maui in 1986, and stayed with Tim while he was a waiter in a Thai restaurant. He got me a job there washing dishes. That was the last time I saw Tim. I have a heart filled with fond memories of us spending our teenage years together and I will always remember Tim with a smile on my face. I will never Forget all the fun times together. Bob Pitagno
