Please accept my condolences for your loved one Donald. My cousin, Donald was always someone I had looked up to for his talent and humor back in my youthful years. He would often spark the joy during family gatherings and still I remember him playing the accordion.

RIP Don. Will miss your posts on Facebook. You are with your wife, Barbara and your sweet little Nichel. I still remember all the fun times we had visiting your Mom and Dad's house in Pittsburgh with you and Jami and Gail and Dale. My condolences to your son's, Donald, Michael and Timothy and their families. I especially remember how good you were with your guitar and singing. Your loving cousin, Kathie Ruffner Georgescu
