# Rodolfo "Rudy" Sibucan Rocutan

MAR 17, 1947 - AUG 12, 2023

**R**odolfo "Rudy" Sibucan Rocutan of Lahaina, Maui passed away on August 8, 2023. He was born on March 17, 1947 in the Philippines to Julio & Segundina Rocutan.

Rudy was truly special, both to his family and to everyone in the community. His heart is big enough to treat everyone like they were his own children or grandchildren. He was always there to help, listen, and spread joy, no matter who you were. As a grandfather and father, his love knew no limits. He wasn't just love at home. He made a big difference in his community as a counselor from his barangay before, he worked hard to make things better for everyone. His kindness and willingness to help others have left a lasting mark that won't be forgotten. Rudy showed us all how to love and care for each other, making him a true hero in the eyes of many. We usually called him Daddy Oppo. He was like a superhero without a cape. Everyone who knew him felt his warmth and kindness. He had this amazing ability to make you feel important and loved whether you were family or just someone from the neighborhood.

For Rudy's family, he was the rock, he was the one leaned on during tough times and the first to crack a joke when things got too serious. He didn't need fancy words or grand gestures to show his love; It was the everyday things he did, like making sure to call and check in on his grandkids or sharing stories that brought everyone together. But his love didn't stop on his front door. Serving as a counselor for nine years, it wasn't about politics for him; it was about making his corner of the world a better place for everyone.

Even Though he is no longer with us, his influence is still felt. He showed us the power of kindness, the strength in community and the importance of family may have been one person but his impact was huge. it's like he left a blueprint for how to live a good life, touching hearts and inspiring others and to spread love and positivity.

His legacy will forever be engraved in the hearts of those who were fortunate enough to have known him. His kindness, his laughter, his unwavering dedication to his family and to
