Ruby Melchior posted:

There are so many fun memories of grandpa. One of my favorites is just remembering how Jun and Gramps used to sword fight in the living room with rulers. It was so funny to watch and cheer on. I also loved that Gramps had so many parties and was always laughing or talking (yelling!). It was so fun when he would drink vodka and then we would play blackjack for coins. It was like a busy, fun party being around him.
