My grandparents have been her neighbor for decades. I've always enjoyed her Christmas decorations. They were always festive and expansive, especially the Santa Sleigh on the roof and the lights and statues in the yard. My grandparents have fond memories of her to this day. I always remember seeing my grandma hanging out with her in front of her house talking stories. She and my grandparents would put cones in front their houses to stake out space to avoid neighborhood overcrowded parking. lol. She will be missed.
