May 11, 1935 – September 23, 2024

Paula Eddy Baldwin, age 89, died on Maui on Monday, September 23, 2024. Paula was born on May 11, 1935, in El Paso County Texas to Robert Douglas Eddy and Jane Gayle Eddy who settled in La Jolla, California. Ancestors John and Samuel Eddy were some of the very first pilgrims having landed at Plymouth on October 29, 1630. Having relatives in the revolutionary war Paula became a Daughter of the American Revolution. Paula's life journey carried on honoring her foundation of life and her family. Paula graduated from La Lolla High School in 1953 and Pomana College in 1957 with a BA in Speech and Drama. Paula was then married to Donald William Baldwin on May 16, 1959 at St. James by the Sea Episcopal Church in La Jolla, California. In 2011, Paula moved to Kihei, Maui to be closer to her son. In these past 13 years on Maui Paula carried on with being a certified Spiritual Director, the Maui liaison for the Contemplative Outreach for Hawaii, she brought Centering Prayer to a forefront for the Episcopal Churches and beyond on Maui, served as the Executive Director of A Cup of Cold Water (a community care van ministry on Maui), and served in many ways at Trinity Episcopal Church by the Sea in Kihei, Maui where she called her church a home. She fed her spiritual soul and all of those around her through her call to various ministries. While keeping spiritually strong she continued to keep physically strong with her Pilates, yoga, and swimming community. An inspiration for all! Paula will be missed deeply by her family near and far and many friends across the globe. She is survived by her son William Douglas Baldwin and daughter Elizabeth Gale Baldwin, 2 grandchildren, Jason David Baldwin and Christine Elizabeth Greeley. Mahalo nui loa Paula for sharing your love and grace. All are invited to a service on Tuesday, October 15, 2024, at 8:30 am at Trinity by the Sea Episcopal Church, 100 Kulanihakoi Street in Kihei, Maui. I met Paula at Congregation Beth Am in the 1992. She hired me as a part time receptionist in the synagogue's office, one of seven ladies filling various supporting rolls to the rabbis, cantors, Hebrew school, finance, membership and the congregation. Paula's relationship with the members and with us was always professional, meticulous and kind. Her deep Christian belief opened her heart and mind respectfully to the deep Jewish faith of this community. Paula and we in the office developed a strong bond. Someone among us gave us the moniker "Bath Am Babes." Over time, we each moved on to other pursuits, yet the Bath Am Babes met quarterly for lunches and to catch up. As many of us moved away from the Bay Area, meet-ups dwindled. When Covid hit, and we were all sheltering at home, we, like so many others, met via Zoom every week, and we continue our weekly Zooms. Staying in touch with the Babes far and near is a priority we all celebrate. I miss Paula, as we all will. She was a remarkable woman who gave her life to others with love and commitment. She gave me a job when I had been a "career" stay-at-home mom who thought she had no marketable skills. I am so grateful to have known Paula during her "Beth Am" chapter of life and to our friendship these past 32 years.

Paula and I worked together at Cong. Beth Am for a number of years. Our friendship continued as the Babes gathered for lunches and special occasions. We've been Zooming with one another since the beginning of Covid. Although we had not seen much of Paula since her move, I was shocked to hear of her death. Paula was the epitome of grace and good deeds. She will be sorely missed. warmly, harriet weiss
