We just learned of E's passing and are so saddened. However, what a blessing to know her. A true gem of a sole. My daughter and I were blessed to spend an afternoon with her at her home playing ping pong and having lunch last March and my husband I had an amazing lunch with her in October. It wasn't until reaching out today that we found out she had passed just 3 weeks after our lunch. May the Lord bless her family and bring comfort and peace in knowing she had a huge impact on so many lives. In loving memory forever and always! Amy and Joseph

I will always remember the volley ball games; soaking in the wood fired hot tub; bouncing like kids on the trampoline; the wild canoe expeditions; skiing at Windblown; Burke Mountain reunions; but, most of all, your wonderful, joyous spirit. See you on the other side, Bill.
