Well, Aunt Helen and I had our differences over the years. I regret not being able to contact her in her last days. I remember how she would always send a huge Christmas package very year to Minnesota. She and Dan used to come visit often. When they came to visit, you know you would get all kinds of treats from Hawaii. I remember she also took me for ice cream when I was about 3 years old back in Phoenix. She always had a way to send something to brighten people's day and she always had a good sense of humor. Rest in peace with Grandma and Grandpa Wilson and Uncle Dan.
