Peter Noble posted:

I played in a band with Sal in the 70's ..it was called Stormy Weather ..And although we formed in Oakland.. we mainly played in Canada. I'm so sorry to hear of his passing. Sal could really play, and he was a great person..

Rob Williams posted:

I only knew him during his last days. He was a patient who induced my tears because I watched him suffer and i could not help him. I know now that he suffers no more.
