# Florida Alagano Batoon

FEB 28, 1944 - APR 17, 2025

**F**lorida Alagano “Flor” Batoon, age 81, passed away peacefully on April 17, 2025, in Wailuku, Hawaii. A devoted wife, mother, and “Mama” to her grandchildren and great-grandchildren, Flor’s life was marked by resilience, dedication, and love for her family and community.

Born on February 28, 1944, in San Rafael, San Nicolas, Pangasinan in the Philippines, Flor was the daughter of Cris and Donata Alagano. From an early age, she demonstrated a strong work ethic and a passion for nurturing others—qualities that would define her personal and professional life.

Flor pursued higher education with determination. She earned a degree in Food Nutrition from M.I.T. in the Philippines and later continued her studies at Maui Community College in Hawaii, where she obtained a Culinary Degree. Her educational journey reflected her lifelong commitment to learning and self-improvement.

Her career began humbly as a pineapple picker for Dole Company. During the summers, she also worked as a kitchen helper for the same company. These early roles laid the foundation for her future in food service and hospitality. Later, she served as a student aide at Lanai Elementary & High School before becoming a kitchen helper there.

In 1982, Flor moved with her family to Maui—a pivotal moment that marked the beginning of her long-standing career at Maui Memorial Medical Center. Starting as a kitchen aide, she steadily advanced through hard work and perseverance until retiring as Cook III. Her dedication to her work left a lasting impression on colleagues and patients alike.

Flor’s life was deeply rooted in faith and family. She worshipped at Saint Anthony of Padua Church and Lanai Sacred Hearts Church throughout her life. At home, she found joy in simple pleasures: sewing intricate patterns by hand, crocheting delicate pieces for loved ones, quilting with care, solving word find puzzles with quiet focus, singing karaoke with enthusiasm, traveling

I miss you so much mama... especially mom and papa does. We try to visit as often as once a week but life has been busy. I'm going back to school again for another degree. But your headstone looks so nice and pretty. Papa's been coming and watering your new home and headstone. We all love and miss you mama ☐

Words doesn't compare to hearing your voice mama. Chunky really misses you and so do mommy, papa, and I. While we just laid you to rest, the feeling is still surreal to us. I cried so much at your viewing and especially at the cemetery. It will never get easy moving forward in life without you but I will make sure we will visit you every weekend if we can. I recently got a job for the summer so maybe I can stop by during the day with papa and mommy to see you ☐ we miss you so much mama and we all Love you so so much. Thank you for the life that you and papa gave to each and every one of us, especially mommy, Gracie, and I. We wouldn't be who we are today if it was not for you to guide us and help us learn through the rough times ☐ fly fly fly the butterfly, one of the best songs you ever sang to us

jane\_hawaii Mama.. I miss you so much.. life at home has been very empty since you went.. i remember all the good days and memories I had with you, I always share them with papa and cheer him up. If I could, I would have picked you up and hugged you so tightly but I couldn't anymore 😭 I wish you was still at home asking me for help or just looking at me. It's so empty not seeing you come out of the room or bathroom whenever mom and I would come downstairs.. I listened to the last recording I had made with papa for an assignment and I hear your voice in the background and I just miss you even more. I can't hear your voice anymore, can't hug you, can't see you physically. You always massage me when I'm sick especially when my stomach is upset... now I can't even express how much I miss it and you especially.. mom got me a new tetherball and I break down quietly because that was our thing when I was younger.. I love you mama 🥺
