U'u, Simeon

MAY 14, 1970 - DEC 22, 2025

Simeon U'u III was a man who loved deeply, gave endlessly, and lived fully for his family. To those who knew him best, he was the steady presence you could count on, the voice that spoke the truth without sugarcoating, and the heart that never turned away from someone in need.

Simeon was a loving and devoted father to his children—Sean, Samantha, Shyla, Salena, Simeon IV, and Soloman—who were the center of his world. Everything he did was for them. He worked hard, sacrificed often, and made sure his family always had what they needed. No matter how busy life became, he always made time. Being present wasn't something he scheduled—it was simply who he was.

He was a proud grandfather, a caring brother, a loyal uncle, cousin, and a true friend. Family meant everything to Simeon, whether by blood or by bond. If you were part of his circle, you were family for life. His home, his table, and his heart were always open.

Simeon had a way of giving that went beyond money or material things. He gave his strength, his time, his protection, and his love. If someone was struggling, he showed up. If someone needed help, he gave—no questions asked and no expectations in return. Giving back wasn't something he talked about; it was something he lived. He was honest to his core and had no filter, and that honesty made him real. You never had to wonder where you stood with Simeon. What he said came straight from his heart, and even when his words were firm, they were rooted in love and truth. Simeon U'u III leaves behind a legacy of loyalty, generosity, and unconditional love. His lessons live on in his children and grandchildren, in the stories shared, the values passed down, and the strength he instilled in those he loved.

Though our hearts are heavy with his absence, we are forever grateful for the time we had, the memories we hold, and the love he gave so freely. Simeon will always be with us—in our lives, our laughter, and our hearts.

My heart is broken at Sammy's passing. Not just for myself, but for the family. Sometimes things were crazy, so he would throw me in his truck and carry me to work. Just so we could talk story. I will miss his booming voice and kind spirit. Blessings to you all, from the Turtle Lady.

Simeon, or as we affectionately called him, Sammy, was my uncle—yes, my uncle, despite being six years younger than me! 😊 He was grandma's little opihi, and trust me, no one dared to mess with him when she was around, even if he was the one stirring the pot! 😂 After we lost Mac and grandma, Sammy had a tough road ahead, especially at such a young age. But wow, I am so proud of him! He totally turned his life around and dedicated himself to his children and grandchildren. The love he had for them was nothing short of extraordinary—powerful, inspiring, encouraging, disciplined, and above all, unconditional! ❤️ One of my favorite memories with Sammy was when he came to the BI for my other uncle's wedding. He brought his kids, and you could see the joy on his face as he introduced them to the ohana. It was a beautiful moment connecting as a family! We couldn't help but laugh because between the two of us, we had a whopping 14 kids! 🙋😂 We'd joke, "Well, we definitely did our part to keep the bloodline going!" I miss you, Sammy, but I find comfort knowing you're up there with Mac, Grandma, Gino, Yolanda, and Tita, probably sharing stories and laughs. Love ya, Sammy! Aloha oe, until we meet again! 🥰💖
