Jeffrey Willis Anderson

JUN 17, 1955 - DEC 29, 2025

Jeffrey W. Anderson, 70, of Kahului, Maui, and West Bridgewater, Massachusetts, passed away peacefully on December 29, 2025, surrounded by his loving family.

Jeff was born in Brockton, Massachusetts, grew up in West Bridgewater, and graduated from Stonehill College. While vacationing in Maui, he met the love of his life, Amy, to whom he was married for 44 wonderful years. In 1979, Jeff made Maui his home.

He was a loving and devoted family man to his wife, Amy Anderson, and his children: Lauren Saldana (Gary), Lindy Anderson, and Eric Anderson (hanai son). Jeff was also a mentor and father figure to many others whose lives he deeply touched.

Jeff was preceded in death by his father, Charles Anderson; his mother, Lorraine Anderson; and his brother, Donnie Anderson.

Jeff lived for sports. Over the years, he coached youth basketball, served as a referee, and worked as a scorekeeper for numerous basketball tournaments. He was a lifelong and passionate fan of all Boston professional sports teams.

Before retiring from the County as Supervisor of the West Maui Parks Department, Jeff dedicated 20 years to the Maui Invitational basketball tournament, helping shape it into the world-class event it is today. It was truly his “baby.”

In retirement, Jeff enjoyed traveling to Las Vegas and Massachusetts. He was grateful to fulfill his dream of spending time with his family on Maui while also residing part-time in his childhood home in West Bridgewater.

The family would like to thank the Maui Memorial Medical Center ER, Dr. Vijak, and Dr. Lee.

Joe Calitri posted:

He went by the nickname, "Gopher," and I remember him with great fondness. Jeff was a great guy, a wonderful friend, and the best point guard I ever played basketball with. I only wish we had spent more time as teammates in summer and YMCA leagues, but our paths obviously took us in different directions. His mom and dad warmly welcomed me into their home and his brother, Donnie, was always congenial. Back in the 1970s, Jeff and I built a portable basketball backboard and rim which could be attached to the diving board in his pool, and we enjoyed many times together shooting hoops there. I send my deepest sympathies to all of Jeff's family and friends, and may the Good Lord Bless his soul.
